**DISCIPLINE POLICY**

The primary concern of our parish faith formation ministry is to provide an atmosphere for ALL students that is conducive to learning about our Catholic faith. Actual time spent in class is very limited therefore the following discipline policy must be enforced at all times. Please read the policy and discuss it with your child, sign the bottom portion, and return it to your child's catechist at the next class. Thank you for your cooperation in this matter.

If student conduct warrants discipline, the following will occur:

1. The student will be given a warning from the Catechist.
2. The student will be removed from the classroom and will complete lessons with an approved representative, and a note will be sent home requiring a parent's signature.
3. If the student needs to be removed from the classroom a second time, the student will call the parents to let them know why they have been removed from the classroom. A conference will need to be occur between the parents and the Director of Faith Formation before the child will be allowed to return to class.
